NOTES.

- Note 1.*—In this statement only those plaints that have been registered should be shown. If the plaint is returned or rejected before registration it should not find entry in the statement. If an appeal against an order rejecting a registered plaint is granted, the plaint should be shown over again in the statement.
- Note 2.*—Column 8.—Total of the entries in columns 9 to 20 and 22. Cases transferred from one Court to another in the same district will appear only against the Court by which decided or in which pending at the close of the year, if not decided. The number of cases pending from the preceding year when deducted from the total of column 8 should leave a balance corresponding with the total of columns 9 to 7 and 9. If after deducting the arrears shown at the end of the previous year the balance does not agree with the figure in column 9 of form 55, the difference should be explained.
- Note 3.*—Column 14.—When under O IX, r. 8, Code of Civil Procedure a decree is wholly or partially made in favour of an absent plaintiff on the admission of the defendant, the case should be entered in this column.
- Note 4.*—Column 16.—In a case in which the defendant appears but the plaintiff does not, and the defendant does not confess judgement and the case is thereupon dismissed, the case should be entered in this column.
- Note 5.*—Columns 26 and 28.—As regards the average duration of suits, the date of the presentation of the plaint should be considered as the date of institution, unless some defect or omission requires to be amended before the plaint can be admitted, in which case the date of admission after amendment shall be regarded as the date of institution. In calculating average duration the time that the suit has been actually pending in the Court should alone be calculated. The interval should be omitted during which an application for review which has been granted or an appeal in which an order of remand has been passed, has been pending in the superior Court. Revived suits are to be treated as if newly instituted on revival.
- Note 6.*—The date of institution shall be the date from which a case should be shown as pending and not from the date of transfer from one court to another.
- Note 7.*—A memorandum should be appended showing the number of re-institutions allowed under O IX, r. 4, by each officer.

NOTE 1. Columns 3, "Filed" should also include and applications under O. XXI, r. 1(1) Code of Civil Procedure. Proceedings under section 30, and Order XXI, rule 6, simply for the transfer of decrees or orders to other courts are not applications for execution and should not be shown by the court to which the decrees have been transferred in column 3 of the statement, until an application has been filed under O. XXI, r. 1(1) Code of Civil Procedure. It should, therefore, be accounted for, e.g., if the object for which the application was made has been wholly attained, and if wholly unsuccessful, in column 8.

NOTE 2. The entries in columns 14 to 27 may not agree with those in columns 5 to 8, as it often happens that one application involves more than one prayer, e.g., for issue of warrant of attachment and for arrest simultaneously (O. XXI, r. 2, Code of Civil Procedure), in such cases the application will have to be entered twice under the former group while under the latter it will be returned only once.

THE result of the settlement of the list of the contributories of the abovenamed company made out and filed in Court by the official liquidator of the said company on the day of 19 , pursuant to the above Act and the General Order of this Court in that behalf, so far as the said list has been settled up to the date of this certificate, is as follows:—

AFFIDAVIT OF OFFICIAL LIQUIDATOR IN SUPPORT OF PROPOSAL FOR CALL.

Rule 279 (60).

[For general heading, see rule 279(1).]

I, *R. P. H.*, of etc., the official liquidator of the abovenamed company, make oath (or solemnly affirm) and say as follows:—

1. I have, in the schedule now produced and shown to me and marked with the letter A, set forth a statement showing the amount due in respect of the debts allowed against the said company, and the estimated amount of the costs, charges, and expenses of and incidental to the winding up the affairs thereof, which several amounts form in the aggregate the sum of Rs. or thereabouts.

2. I have also in the said schedule set forth a statement of the assets in hand belonging to the said company, amounting to the sum of Rs. and no more. There are no other assets belonging to the said company, except the amounts due from certain of the said contributories of the said company, and to the best of my information and belief it will be impossible to realize in respect of the said amounts more than the sum of Rs. or thereabouts.

3. It appears by the certificate of the Chief Court of Oudh (or as the case may be), dated the day of 19 , that persons have been settled on the list of contributories of the said company in respect of the total number of shares.

4. For the purpose of satisfying the several debts and liabilities of the said company, and of paying the costs, charges and expenses of, and incidental to, the winding up the affairs thereof, I believe the sum of Rs will be required, in addition to the amount to the assets of the said company mentioned in Schedule A and the said sum of Rs.

5. In order to provide the said sum of Rs. it is necessary to make a call upon the several persons who have been settled on the list of contributories as before mentioned, and having regard to the probability that some of such contributories will partly or wholly fail to pay the amount of such call, I believe that for the purpose of realizing the amount required, as before mentioned, it is necessary that a call of Rs. per share should be made.
